

Curriculum Vitae

Name: ENNOUMI

Name: Abderrahmane

Date and place of birth: 18/06/1962 SBEITLA - TUNISIA

Marital Status: Married

Address: 6rue koweit cite Jasmine 2010 MANNOUBA TUNISIA

Email: ennoumi@hotmail.com , Cell phone : 0021625777015

CERTIFICATES AND DIPLOMAS

* Bachelor of Science Mathematics

* University degree (DUE SS) Math Physics, Faculty of Science and Technology of Tunisia Monastir.

*PRINCIPAL ENGINEER Diploma in Electrical Engineering from the Faculty of Science and Technology of Tunisia Monastir.

TRAINING

* Training in the central TUNISIAN SOCIETY OF ELECTRICITY AND GAS including preparation of a project: Modeling of automatic systems of turbo-generator plant. * training in SPAIN (June 1995): Technical cogeneration and tri-generation; Organized by IDEA.

* training in ITALY (april1996): Air gas-absorption machine Organized by ROBUR.

* training in France (April 1996): Air conditioning; Organized by SOFREGAZ. * Training in FRANCE (December 1999): Air conditioning gas; Organized by GAZ DE FRANCE.

* Advanced training courses in electricity in Tunisia.

SENIORITY

Recruited at the TUNISIAN SOCIETY OF ELECTRICITY AND GAS (April 1988): Head of Research Unit of the district of Gafsa 1988-1990: Studies of electrical projects low and medium voltage (distribution and transport).

* Head of unit studies and planning in the region southwest 1990-1992:

Research and planning of power system in the medium and long term.

* Chief District MAHARA from 1992 to 1994: manager.

* Chief District ZAGHOUAN FOR 1994-1995: manager.

* Chief pilot cooling natural gas by absorption machine: The first installation made in Tunisia.

* Responsible for new uses for gas in Tunisia since 1995.

Studies of the different CHP facility in Tunisia.

* Member of the Committee on Standardization of electrical TUNISIA 1988-1995: Studies of electrical standards and adaptation of different technologies to the national network. *

Member of the development of cogeneration and air conditioning in Tunisia since 1995. *
engineer specialist maintenance of electrical systems at the Saudi Electricity Company since October 2000.

EXTRA ACTIVITIES AND PROFESSIONAL

*teacher at the University of Sfax 1989/90 to 1993/94: Teacher of the electrical technology and electrical power system protection.

* Teacher training center and development engineers al `SAUDI ARABIA.

* teacher of thesis end of study, for the `d` graduation engineer.

PUBLICATION

* Article in the Journal of the energy released by the MINISTRY OF INDUSTRY: Air on natural gas (Energy Review No. 43).

CHP. Article in the magazine `s electricity published by STEG (5 / 1999) .*

MISCELLANEOUS

* Mastering the following languages: French, English and Arabic. *

Mastering computer.
